# BANGOR TAVERN

---

*"I'm a regular at the tavern and I  
have never been disappointed..."  
- P. Hutchings*

Bangor Tavern pays homage to our community with a traditional pub layout featuring the Sutherland Shires best beer garden. Think lush greens, romantic festoons and a luxe garden bar.

Our main sports bar area links to a large West facing terrace and massive TAB and VIP room open 10am till late. Our draught beer options feature 15 modern beer variations. We also have a brand new pool table in the bar garden.

Catering for groups from 10 up to 250 guests enquire now for your next function at The Tav. We have numerous areas available both indoor and outdoor in the beer garden. With two undercover deck areas available catering for multiple size functions.

Our large car park caters to your transportation needs with access also provided via bus with a bus stop right out the front

*Planning a birthday, engagement, christening, corporate function, or just a catch-up with friends, we have a range of stunning spaces to suit your needs.*

# BEER GARDEN

## CAPACITY 150

Arguably one of the shires best beer gardens, The Tavs all weather alfresco space is multi levelled with two deck spaces and a beautiful PIMMS Garden Bar with its own private bar service area. For your special occasion this large area accommodating up to 150 guests is your ideal space.

# TOP DECK

## CAPACITY 50

Our most favoured party options is the top deck. This large decked area sees your party elevated above the beer garden, easily partitioned off to provide the most exclusivity for you and your guests.

Multiple seating arrangements are available to make the space as formal or as casual as you wish for up to 50 of your friends.

# BOTTOM DECK

## CAPACITY 30

The most casual and most intimate space of the beer garden is the Bottom Deck. Perched at the rear of the beer garden this space also provides a very private party atmosphere for any occasion.
